

# **Laserservice MA-tec**

*your service for lasersystems - worldwide*

## **Pricelist for Wearparts**

All prices are without value added tax, without postage and packing.

Payment due upon receipt of invoice.

Valid from January 2016.

### **Laserlamp for the systems F94 and LP100**

MA-102181	laserlamp F94/LP100	175,00 €
-----------	---------------------	----------

### **Filter for chiller F94 and LP100**

MA-100353	filter, particle filter	4,95 €
MA-103081	filter, resin	19,50 €

### **Filter for chiller FD84 and DP50**

MA-100370	filter, particle filter	10,90 €
MA-105755	filter, DI-cartridge	108,00 €
MA-105866	filter, particle 25µm (WWK-DP50)	10,90 €

### **Diode pump chamber for FD84 and DP50**

MA-103068	diode pump chamber YDP	9.600,00 €
-----------	------------------------	------------

### **Suction Fuchs TKFD103 (OEM quality of these filters)**

MA-102906-E	filter, activated carbon filter TKF	189,00 €
MA-102907-E	filter, particular air filter TKF	149,00 €
MA-102908-E	filter mat TKF	5,95 €
MA-102909-E	filter, pocket filter TKF	19,50 €

*your service for lasersystems - worldwide*

## **Suction Fuchs MKFD103/105 (OEM quality of these filters)**

MA-102893-E	filter, activated carbon filter MKF	335,00 €
MA-102894-E	filter, particular air filter MKF	235,00 €
MA-102895-E	filter, pocket filter MKF F7	39,00 €
MA-102896-E	filter mat MKF	10,50 €
MA-102897-E	filter, pocket filter TKF	22,50 €

## **Suction Fuchs TKFVA103**

MA-105895-E	filter, activated carbon filter TKFVA103	199,00 €
MA-105896-E	filter, cartridge FIPA	299,00 €

The offered spare parts are quality of original equipment manufacturer.

The diode pump chamber is modified for an expected longer lifetime. Additionally the laser beam quality is more stable and the laser output power is higher.

Our terms and conditions apply which will be provided on request or can be found on our web page [www.LaserserviceMA-tec.de](http://www.LaserserviceMA-tec.de)
